

The Cornerstone Society is made up of individuals and families, who through thoughtful and generous planning, have included LSSI or The Cornerstone Foundation in their estate plans. This group of compassionate friends has made gifts in a variety of ways by: making a gift in their will or trust; naming LSSI as a beneficiary of an insurance policy, IRA, or retirement plan; purchasing a charitable gift annuity; or creating an endowment fund during their lifetime.

We are grateful to all of our Cornerstone Society members for creating a lasting legacy in support of our mission to serve others.
