

# Lutheran Social Services of Illinois

## Be a Part of the Clean Team: Volunteer for Spring Cleaning at LSSI Program Sites

During the month of April, Lutheran Social Services of Illinois (LSSI) is combining a celebration of Earth Day (April 22) along with spring cleaning at many of its sites.

Spring cleaning activities can be fun. Participation provides you with an opportunity to help your community, meet new people and celebrate Earth Day!

Some of the duties would include:

- Indoor painting
- Outdoor scraping and painting (fences, patio furniture)
- Window washing
- Cleaning away winter debris
- Preparing playgrounds for outdoor activities
- Preparing planting beds for new growth

Please bring your own tools, which could include:

- Gloves
- Paint brushes/rollers
- Lawn bags
- Yard tools
- Buckets
- Drop cloths or plastic tarps
- Rags
- Window washing solutions
- Brooms

This is a great opportunity for youth groups, church groups and older scouts to work as a team.

**DONATIONS TO PURCHASE PAINT WOULD BE VERY MUCH APPRECIATED.**
